 - b. If a community has 23 or more players, a second team must be entered
3. Neighboring Town Rule (*Appr. 02/16/2020*):
 - a. Teams will be formed through their local rec department following school district boundaries. Teams with no rec commission must be approved by K-18 regional commissioner (*Appr. 02/16/2020*)
 - b. Teams must have an open registration that allows all players in the school district a spot on a roster.
 - c. A K-18 team using a full roster is only allowed to play in two non-K-18-sanctioned tournaments in a season. Restrictions start with first playing date of the K-18 League through finish of the K-18 post-season.
 - d. All players should have an address inside the school district for the team that they play on. Should their school district and address be different they may play for the team in their school district provided there is no team at their home address.

i. Clarification - player lives in a different town than rec, but goes to school in the rec community. Player needs to play for team she attends school.

e. Transferring to another team requires a signed waiver from the manager of the team from which the player wants to transfer from. The player transferring must request to play for the nearest team, as the crow flies first, and so on. The home team will need to release the player.

f. The transfers must be approved by the regional commissioner before the player is allowed to play on another team.

g. Communities have a deadline of April 30 to form teams. No player transfers allowed until April 30 and no transfers after June 15.

h. Any player desiring to transfer from one team entry to another after June 15 must obtain a written and signed release by the manager of the team from which she is transferring, and such release shall be certified by association commissioners before the player shall be eligible to play in any subsequent games. The State Commissioner shall notify the League Recorder of such change.

4. All players on the roster and present must participate in at least one of the two games in both offense and defense each night. (*Appr. 02/16/2020*)

5. A player must participate in 50% of league night games to be eligible to play on post-season roster (*Appr. 02/16/2020*)

a. Exception; if injured and not playing in games during the time of injury. If a player is injured she will be given credit of being on the team if she is attending practices and attending games.

6. Teams playing on competitive/traveling ball teams (i.e. USA, IFPGS, USSSA, etc.) requirements (*Appr. 04/28/2021*)

a. Five rostered players per K-18 team can roster with competitive/travel teams per season with no restrictions outside of the two tournaments a K-18 team can play in. These players must be designated on the K-18 roster when it is submitted.

2. Options:
 - a. Adopted from Boys' K-18 Association EH 3.06
 - i. An Extra Hitter (EH) will be allowed but

not mandatory. The option of using an (EH) must be selected prior to the start of the game. The (EH) must be listed on the line-up card in any spot from #1 batter thru #10 batter. The (EH) is considered a starting player and cannot be eliminated after the game has started. If a team can't play a person in the (EH) position, in which they began the game with, due to injury etc., they will take an out when the (EH) position is up to bat. The (EH) may be swapped in the field for any defensive player. The swapped players would have to keep their same spots in the batting order. If the swapped defensive player leaves the game a replacement would have to fill his spot in batting order as an (EH) or the open batting spot would be an out when that spot comes up to bat. All starters including the starting (EH) may re-enter a game one time but must re-enter in their original starting batting order. Non-starters cannot re-enter a game after being taken out of the game. The Extra Hitter Rule allows more players an opportunity to get playing time.
